

Longhoughton CE Primary School

Pupil Premium Strategy Statement

This statement details our school's use of pupil premium (for the 2023 to 2024 academic year) funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

School overview

Detail	Data
School name	Longhoughton CE Primary School
Number of pupils in school	83 (+ 8 Nursery)
Proportion (%) of pupil premium eligible pupils	FSM & Ever 6 – 2.4% (2) LAC & Post LAC – 2.4% (2) Service & Ever 6 – 62.7% (52)
Academic year/years that our current pupil premium strategy plan covers (3-year plans are recommended)	2023 - 2026
Date this statement was published	November 2023
Date on which it will be reviewed	November 2024
Statement authorised by	Tracey Critchlow
Pupil premium lead	Tracey Critchlow
Governor / Trustee lead	Nicola Threlfall

Funding overview

Detail	Amount
Pupil premium funding allocation this academic year <small>*NCC retains £850 to help pay for additional support for LAC pupils, e.g. purchase of laptops and other equipment etc.</small>	<i>(based on Oct 2022 census)</i> FSM & Ever 6 – £4,365 LAC/Post LAC - £5,060* Service - £19,430
Recovery premium funding allocation this academic year	£2,000
Pupil premium funding carried forward from previous years (enter £0 if not applicable)	£565
Total budget for this academic year If your school is an academy in a trust that pools this funding, state the amount available to your school this academic year	£31,420

Part A: Pupil premium strategy plan

Statement of intent

At Longhoughton CE Primary School:

Our intention is that all pupils, irrespective of their background or the challenges they face, make good progress and achieve high attainment across all subject areas.

The focus of our pupil premium strategy is to support disadvantaged pupils to achieve that goal, including progress for those who are already high attainers.

The activities we have outlined in this statement are also intended to support their needs, regardless of whether they are funded or not. High-quality teaching is at the heart of our approach, with a focus on acquisition of basic skills to ensure that disadvantaged pupils are able to access the broad and balanced curriculum on offer to them. This is proven to have the greatest impact on closing the disadvantage attainment gap and at the same time will benefit the non-disadvantaged pupils in our school. Implicit in the intended outcomes detailed below, is the intention that non-disadvantaged pupils' attainment will be sustained and improved alongside progress for their disadvantaged peers.

We also recognise that there are disadvantaged pupils who do not qualify for Free School Meals, the Forces Premium or Pupil Premium Plus. We may allocate resources to support any group or groups of children we have identified as being disadvantaged or vulnerable.

Our approach will be responsive to common challenges as well as targeting individual needs. It is informed by our robust ongoing assessment cycles which direct the planning and delivery of our interventions.

These approaches complement each other and ensure that all children are active and successful learners.

To ensure they are effective we will:

- prioritise access for disadvantaged children within the ongoing quality first teaching offer to ensure that they are given challenging opportunities
- act early to intervene at the point need is identified
- adopt a whole school approach in which all staff take responsibility for disadvantaged pupils' outcomes and raise expectations of what they can achieve

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Many of our pupils require regular, short, targeted academic or pastoral interventions in order to support them in keeping up with their peers both in the long and short term.

2	Many of our pupils require regular, short, targeted academic interventions in Maths in order to support them in keeping up with their peers both in the long and short term.
3	Many of our pupils require regular, short, targeted academic interventions with phonological development in order to support them in keeping up with their peers both in the long and short term.
4	Many of our pupils, in the long and short term, can face challenging situations that limit their learning. These may include parents working away from home (deployment/posting), family issues, relationship issues and bereavement.
5	Additional contributions to school activities and educational visits are likely to be an additional financial burden on disadvantaged families. Children from disadvantaged backgrounds are less likely to have access to such experiences out of school.

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

	Intended outcome	Success criteria
1	We expect that the targeted children will be supported to make progress that is at least the same as their peers despite any difficulties they may face. Vulnerable pupils will always have access to an additional adult who will support them in removing barriers to learning both pastorally and academically in order that they can reach their full potential.	School assessment information will show that targeted children make progress that is at least the same as other children.
2	We expect that the targeted children will be supported to make progress that is at least the same as their peers despite any difficulties they may face. Vulnerable pupils will always have access to an additional adult who will support them in removing barriers to learning both pastorally and academically in order that they can reach their full potential.	Trained teaching assistants will deliver IstClass@Number for KS1 pupils and Success@Arithmetic for KS2 pupils to support children with mathematical needs. School assessment information will show that targeted children make progress that is at least the same as other children.
3	We expect that the targeted children will be supported to make progress that is at least the same as their peers despite any difficulties they may face. Vulnerable pupils will always have access to an additional adult who will support them in removing barriers to learning both pastorally and academically in order that they can reach their full potential.	A higher than average number of teaching assistants are deployed appropriately across the school to ensure that delivery Read Write Inc. is delivered effectively. Trained teachers and teaching assistants deliver small group RWInc sessions to raise and maintain reading and writing through a phonic approach. All pupils in receipt of additional funding meet the required standard in Year 1 Phonic Check, unless there is a specific reason why they can't.
4	Pupils who are disadvantaged by a range of circumstances will have minimal disruption to their learning because of these circumstances. These pupils will show improved attendance or continued good attendance despite their circumstances. These children's mental health and well-being will be supported so they are more regulated to learn.	A Teaching Assistant with training across mental health issues will provide support/advice/counselling for children who require this on a short- or long-term basis. During dedicated time our TA will support a range of pupil needs such as bereavement and home issues as well as meeting regularly with our most vulnerable pupils.
5	All children will have the same opportunities to participate in extra-curricular activities that are offered. All FSM/LAC pupil children are offered a funded place on residential visits (2024/25).	Children will look forward to and value the opportunities to excel in non-academic as well as academic contexts. 100% of children are able to swim 25m. Children will be able to participate in extra-curricular activities to develop the transferrable skills of communication, teamwork, co-ordination and rehearsal and practice.

Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

Teaching (for example, CPD, recruitment and retention)

Budgeted cost: £ 5,000

Activity	Evidence that supports this approach	Challenge number(s) addressed
<p>Subscribe to the RWInc portal to enable all staff to have up-to-date and relevant training.</p> <p>Allow for succession planning for the English Lead.</p> <p>Supply costs and release costs for subject handover.</p> <p>Additional hour payments for TAs to attend twilight/TTD sessions.</p>	<p>EEF Improving Literacy KS1 Guidance Report</p> <p>EEF Improving Literacy Key Stage 2</p> <p>EEF Toolkit Individualised Instruction</p> <p>EEF Toolkit Phonics</p> <p>EEF Toolkit Reducing Class Size</p> <p>EEF Toolkit Small Group Tuition</p>	1, 2, 3

Targeted academic support (for example, tutoring, one-to-one support structured interventions)

Budgeted cost: £ 25,500

Activity	Evidence that supports this approach	Challenge number(s) addressed
<p>Ensure that a higher than average number teaching assistants are deployed appropriately across the school to ensure that delivery of interventions such as Lego-based therapy, Talk Boost, SNIP, handwriting, additional reading/comprehension etc. are delivered effectively. The presence of teaching assistants also allows for pastoral issues to be addressed.</p> <p>£19,000</p>	<p>EEF Improving Literacy KS1 Guidance Report</p> <p>EEF Improving Literacy Key Stage 2</p> <p>EEF Toolkit Individualised Instruction</p> <p>EEF Toolkit Phonics</p> <p>EEF Toolkit Reducing Class Size</p> <p>EEF Toolkit Small Group Tuition</p>	1, 2, 3

<p>Employ trained teaching assistants to deliver IstClass@Number for KS1 pupils and Success@Arithmetic for KS2 pupils to support children with mathematical need and additional support for small year group teaching of CLIC.</p> <p>£1,000</p>	<p>EEF Improving Mathematics in the Early Years and KKS1 Guidance Report EEF Toolkit Individualised Instruction EEF Toolkit Reducing Class Size EEF Toolkit Small Group Tuition</p>	<p>1 & 2</p>
<p>Ensure that a higher than average number teaching assistants are deployed appropriately across the school to ensure that delivery Read Write Inc. are delivered effectively. Employ trained teachers and teaching assistants to deliver small group RWInc sessions to raise and maintain reading and writing through a phonic approach.</p> <p>£3,500</p>	<p>EEF Improving Literacy KS1 Guidance Report EEF Toolkit Individualised Instruction EEF Toolkit Phonics EEF Toolkit Reducing Class Size EEF Toolkit Small Group Tuition</p>	<p>1 & 3</p>
<p>We will provide 4 additional hours per week for a Teaching Assistant to provide emotional support/advice/counselling for children who require this on a short- or long-term basis. During dedicated time our TA will support a range of pupil needs such as bereavement and home issues as well as meeting regularly with our most vulnerable pupils.</p> <p>£2,000</p>	<p>EEF Social and Emotional Learning</p>	<p>4</p>

Wider strategies (for example, related to attendance, behaviour, wellbeing)

Budgeted cost: £ 1,000

Activity	Evidence that supports this approach	Challenge number(s) addressed
<p>We will subsidise educational visits, out of hours activities, 1 to 1 music tuition (not 2023/24 – no FSM/LAC children in KS2), Y6 residential (no residential 2023/24) and swimming.</p> <p>£1,000</p>	<p>EEF Toolkit Physical Activity EEF Toolkit Arts Participation EEF Social and Emotional Learning EEF Outdoor Adventure Learning</p>	<p>5</p>

Total budgeted cost: £ 31,500

Part B: Review of outcomes in the previous academic year

Pupil premium strategy outcomes

To be review in Autumn 2024

Externally provided programmes

Please include the names of any non-DfE programmes that you purchased in the previous academic year. This will help the Department for Education identify which ones are popular in England

Service pupil premium funding (optional)

For schools that receive this funding, you may wish to provide the following information:

Measure	Details
How did you spend your service pupil premium allocation last academic year?	Allocation was spent through providing support to service children new to the school enabling them to settle into school and support them in new routines and processes. Children are also supported as they prepare to leave the school for a new posting.
What was the impact of that spending on service pupil premium eligible pupils?	New service children settled in quickly and were well supported adjusting to being in their new school. ELSA support and additional support was available in the classroom to those children who required it.
