India Class have been thinking about prayers and how Christian prayers have four main types. We looked at four jelly-baby prayer characters: Peter Praise, Suzy Sorry, Andrew Ask and Thea Thanks. We listened to the parable of the Lost Son and thought about which parts of the story suggest that Suzy Sorry and Peter Praise prayers are something that the characters might say. We learned that Christians believe God is loving and forgiving and we have written our own Peter Praise and Suzy Sorry prayers.

Our Father in heaven,
You bring us sun and rain
You bring us day and night.
I thank you for my friends that live nearby me and my wonderful family.
Amen

Dear God
I am sorry I have done many bad things.
I will improve in my behaviour.
I can try to b good in the future.
Amen
