

Pupil Premium for the academic Year 2016/17

What is the Pupil Premium?

Pupil Premium was introduced in April 2011. Schools are required to report annually to parents their Pupil Premium allocation, spend and the impact that this money has.

The Pupil Premium is additional to main school funding. It is a sum of money derived from the number of children eligible for Free School Meals, with parents in the Armed Forces (Service children) and for children in care who have been continuously looked after (CLA) for six months. It is designed to address the current underlying national inequalities and close the gap in attainment.

The amount received by the school is calculated using a lump sum per pupil. As a school we have fewer children in receipt of free school meals when compared with all schools nationally and more Service children.

Pupil Premium generated a total of

2016 – 17 = £18,480 (estimate)

In 2015 – 16 the funding was used to sustain levels of TA support. This allowed us to maintain ratios of adult child support across school and to fund additional hours for staff to give specific support for identified children.

In 2016 - 2017 the Pupil premium will remain at £1,320 per pupil (£300 for Service children) and is allocated to children who have been eligible for funding during any of the last six years, even if they are no longer eligible or claim.

We plan to use the funding in the following ways:

- Small group delivery of Read, Write Inc. programme
- Continuation to sustain levels of TA support in all classes
- To target support for identified pupils in class and improve outcomes for these pupils.
