

We have had a lovely first half term in St George Class and we have all enjoyed working and learning together to explore the classroom. Some of us had never been into Longhoughton CE Primary School before we started in September but we are all having so much fun and have really settled well into our daily routines even though this year they are slightly different to normal.

Our topics this half term are Bonfire Night, Diwali and we will be learning about St George and the Dragon linked to our class country as we begin to learn about castles. We have enjoyed reading different books to support our learning and we have already read Elmer the Elephant, The Gruffalo, The Gruffalo's Child and Funnybones. We have masks for the different characters and have really enjoyed retelling the stories.

We have spent lots of time in the sensory garden over the last few weeks and we are enjoying using our log circle sitting area and new stage area. We noticed the plum tree was ripening so we collected lots of plums and enjoyed tasting them when we sat down for circle time.
