

St. Patrick's Class have had a busy half term. We had a virtual author visit from Emily Dodd and had to solve clues from her *Crime Squirrels Investigators* books to work out who had stolen the acorns. Emily taught us a song with actions and a rap to go with the book.

We then went on a trip down to the beach. Our science learning on senses helped us to think of what we could see, hear, smell and touch at the beach. We brought our ideas back to school with us and used them to describe a beach setting for our new literacy unit of work. In art we have been learning about

sculptures so we decided to work together and make some sand sculptures. Can you guess what we created?
