

Italy Class Newsletter

Dear Parents

Welcome back after half term. I can't believe how quickly this year is flying by and we are heading towards Easter! The following is a rough guide of what is happening this half term. If you have any questions, please ask and we will try our best to help.

If children bring in a snack, could you please remind them to put it in their drawer so they can get to it easily during the day rather than leaving it in their bags. Please keep your child's snack to something small and healthy as they don't have a lot of time to eat it and have a run around at playtime. It would also help if they put hats, gloves and scarves in their drawers to get to easily and please make sure they are named and are in school everyday throughout the winter as we don't have enough spares for everyone.

Children have access to water throughout the morning so please make sure you send in a water bottle on a Monday morning and collect it on a Friday.

Topics

Over this half term our topic is 'Pets' starting with a pet shop role play area which will turn into a vets surgery as we move through the term. We will also be talking about signs of Spring. However if the children's interests change, we may make slight changes along the way.

Reminder

Please only encourage your child to bring in something from home which is linked to our focus topics for show and tell. Recently children have been bringing in 'toys' which we discourage throughout school.

As always if you have any questions please do not hesitate to ask myself, Mrs Parker or Mrs Gabriele
