

Dear  
Parents and Carers of children in St David's Class,

I hope your children are feeling a little more settled this half term. We really enjoyed our Class Worship and Homework Project Exhibition and it was lovely to see so many of you there. I am really happy with the amount of reading the children are doing and I will be doing more reading assessments this term to see what progress they have made.

A few reminders...

Please arrive at school at 8:45am and we finish at 3:15pm. Please try to be on time so that the children can spend some time doing their independent learning. This is also an ideal time for us to give a little extra support to those that need it.

Please remember to inform the school if your child is going to be absent by ringing the office.

Please make sure that all PE kit as well as school uniform is labelled. Some mornings can be quite chilly and we will always try to do PE lessons outside, so please make sure they have warm clothing. This half term we will do NUFC PE and Commando Joe's on **Monday** and a gymnastics lesson on **Friday**. They will also be having yoga sessions but they will just wear their school uniform for this.

Snacks can be fruit, healthy cereal bars and plain biscuits. The children can also have free fruit at school. Could you also make sure that the children have a water bottle in school. We will send it home every Friday for a wash. The children are reminded to change their water every morning when they come into class. Please remember that we are a healthy school and we only allow plain water in their classroom water bottles.

Please send Homework Books in on a FRIDAY with their spelling activities completed.

Please send READING RECORDS in on a MONDAY with three comments from yourselves as to how they have read that week.

It would be fantastic if your child can read for 15 minutes every night and practice their spellings in their Homework Book. For maths, we ask if your child can practice on Times Tables Rock Stars. We will reward your combined efforts with raffle tickets! If you need a reminder of log ins and passwords, please just ask.

Thank you for attending Parents Evening. It was lovely to be able to share information with you about how your child has settled into St David's Class.

We will send out both class and school newsletters to keep you informed. Please also look at our website for more information about our school. We use ParentMail to communicate with you too. If you need to talk to me, please ring the office to leave a message and I will get back to you as soon as possible

Thank you for your support,

Miss Emma Sheridan
