

The children of Longhoughton CE Primary School have had a very busy and exciting week. Wednesday was World Maths Day so we spent the morning completing maths challenges and games. As we have started a new daily programme to practise our times

tables this term called Times Tables Rock Stars, we all came to school dressed as a rock star! In the afternoon we went to church for Ash Wednesday and were greeted by a very puzzled Reverend Ian. He had never seen so many Rock Stars in one place and all of the pink, purple and green hairstyles made the church a very colourful place.

World Book Day was on Thursday and this year we decided to forego costumes having already dressed up the day before. Instead we all came to school in our pyjamas with our favourite book. Some of us brought soft toys and blankets to snuggle up with while sharing our books and animated stories. We had a mix up

in the morning where children from each class spent time together as well as time in our own classroom doing class based activities. In the afternoon each class then shared Bible stories and made some new displays for our hall based on these stories which reflect our core values.
